SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

This statement is filed in the application identified above pursuant to 37 C.F.R. § 1.97. Each of the references disclosed herein was first cited in the European Search Report in the corresponding European Application No. 01939793.4. The European Search Report was mailed on September 7, 2004 which is not more than 3 months prior to the filing of this statement. No representation is intended that a complete search has been made of the prior art or that no better art references than listed below are available. The filing of this Statement shall not be construed to be an admission that the information cited in the Statement is, or is considered to be, material to patentability as defined in § 1.56(b).

Please note that U.S. Patent No. 6,656,494 is the US counterpart of EP 1169924, which is a European counterpart of WO 01/28354 and all three references are cited in this Supplemental Information Disclosure Statement.

Additionally, please also note that the "Annales Universitatis Mariae Curie-Sklodowska" reference is cited in this Supplemental Information Disclosure Statement, but there is no copy available for this cited reference.

Our check in the amount of \$180.00 for the fee required under 37 C.F.R. § 1.17 (p) for filing this statement is transmitted herewith. If any additional fees are required, the Commissioner is hereby authorized to charge the same to our Deposit Account No. 10-0435, with reference to our matter 834460-68474. An extra copy of this Information Disclosure Statement is enclosed for that purpose.

Respectfully submitted,

Rebecca L. Ball
